Dear Friends,

Sown into our landscape are seeds planted by Monsignor Gilbert P. Jennings that have blossomed into 75 years of stories and service. As our first benefactor through his planned estate gift, Monsignor Jennings knew the power of philanthropy in making a difference in this world. He also understood that to have a safe and comfortable place to live is not something everyone can take for granted. He ensured that there would be a place for older adults who otherwise might not be able to afford such choices. We are grateful for every person who has been part of the commitment to our mission for these 75 years.

Our 75th anniversary year proved fruitful with additional milestones. We opened Jennings at Brecksville, providing independent living and assisted living at our first supportive residence off the Garfield Heights campus. The first residents, their families and staff members have already built a special community that has the trademark “IT” that is Jennings culture. We also had the privilege of celebrating Sister Margaret Mary Grochowski’s diamond jubilee with the Sisters of the Holy Spirit. Sister Margaret Mary served in many roles at Jennings until her retirement, including director of nursing, director of the restorative program, and life enrichment. Her spirituality, loving and compassionate demeanor, high standards and her zest for life continue to be a model for us all. Finally, the progress on Notre Dame Village kicked into high gear. This community of living and learning is a collaboration between Jennings and Sisters of Notre Dame to provide non-profit residences in Geauga County and will open this summer.

We are now serving the children and grandchildren of the first residents, and our care and services still have the same trademark of excellence. We certainly are not the same organization that began in 1942, but we have stayed faithful to those roots and are proud to carry on not only the bequest of Monsignor Jennings, but the work of the Sisters of the Holy Spirit. We thank you for walking with us in ministry and look forward to a future of continuing to provide quality choices for individuals as they age.

Sincerely,

Allison Q. Salopeck
President and CEO

Since 1942, Jennings has continually transformed services for older adults and their families in Northeast Ohio. A Catholic health care provider sponsored by the Sisters of the Holy Spirit, our passion for quality residences and services extends to adults of all faiths. Our continuum of care, attention to quality of life, and operational strengths enable us to live out our mission and values.

2017 Community Benefit

Throughout our history, Jennings has been called to treat people with love and dignity. We care for the dignity of all people, including the most frail, while also extending our hearts to the community. Our namesake, the community-minded Monsignor Gilbert P. Jennings, continues to inspire our “big picture” philosophies. As a charitable, not-for-profit organization, Jennings is called to be good stewards of resources and talents as well as our concern for the dignity of each person.

Guided by our mission and values, we remain flexible as we continue to address emerging trends and issues through education and advocacy, convening and collaborating, innovation and community engagement.

UNREIMBURSED CARE

Jennings has a tangible financial impact in Northeast Ohio, through rate-restricted services and unreimbursed charitable care. Consistent with our mission, Jennings ensures that dignity and quality care are available to those whose limited means would otherwise provide them with fewer choices.

Total cost of unreimbursed care at Jennings in 2017 = $2,223,379

- Unreimbursed long-term care = $2,170,917
- Unreimbursed assisted living = $52,463

Rate-restricted services

- Affordable Housing: Jennings offers more than 200 apartments with services in two locations to provide residences for individuals 55 and older with low to moderate income so they can continue to live successfully with independence.
- Community-based Support: Jennings’ adult day services and child care are a critical support for family members and caregivers in the community. They know their loved ones receive quality care while they attend to personal and work responsibilities. These services are partially funded by programs such as PASSPORT, OPTIONS, Cuyahoga County Board of Disabilities, Alzheimer’s Respite Grant, and the county voucher program and often do not cover the total cost of the care provided.

75 years of Leadership

Through every era of the Jennings story, we remember the valued leaders and mentors who made possible the evolution that is Jennings today. The long tenure of Jennings' leaders has been responsible for the solid foundation upon which our mission grows. From the early decades when the Sisters of the Holy Spirit were at the helm to the transition of the management role to lay leadership in 1991, there has always been careful planning and foresight in developing the next generation of leaders who would steward our mission.

Sister Mary Hyacinth Valko, CSSp
Administrator, 1942-1946
Sister Mary Hyacinth was the first administrator of Jennings Hall. She brought a caring touch to all she did and encouraged family members to be involved in the care of their loved ones.

Sister Joanne Francis Ostrowski, CSSp
Administrator, 1948-1954
Sister Joanne Francis was a motherly figure who attended to all the needs of the residents. An adept administrator, she was a cook at heart and liked to oversee what was going on in the kitchen.

Monsignor Michael B. Ivanko
Director, 1948-1968
Monsignor Ivanko was a leader in the advancement of care for the aging, not only at Jennings but also across the country.

Sister Mary Gertrude Bielewicz, CSSp
Administrator, 1959-1972
Sister Mary Gertrude was aware of the need to maintain high standards in administration and encouraged the formation of a consortium with the other newly built nursing homes in the Diocese of Cleveland.

Sister Mary Loretta Michalczyk, CSSp
Administrator and Executive Director, 1972-1991
Sister Mary Loretta ran a “tight ship,” but always had the best interests of the residents and staff at heart. As administrator, she handled Jennings’ finances as well as supervising nursing and dietary services.

Martha M. Kutik
Martha led Jennings’ evolution into a highly regarded provider of residential and community-based services. She is respected for her long-term strategic vision and collaboration with community partners.

Allison Q. Salopeck
President & CEO, 2014-Present; Administrator and COO, 1991-2014
Allison is committed to maintaining quality person-centered care, sound fiscal operations, and implementing new services.
For 75 years, the generosity of donors have helped the Sisters of the Holy Spirit and Jennings staff to continue the vision of our founder, Monsignor Gilbert P. Jennings. Championing our innovation, mission and ministry has impacted thousands of individuals throughout Northeast Ohio.

We make every effort to ensure the accuracy of our donor lists. We deeply apologize for any errors or omissions and invite you to contact the Development Department at (216) 581-2902, ext. 2327 with any corrections.

Thank you!

Mrs. Betty Green (left), activities coordinator, and Sister Margaret Mary work in the craft shop with participants in Jennings’ first adult day center. (1978)
From the beginning, Jennings has been innovative in its person-centered care, therapies and life enrichment programs. The innovation continues in philosophies of care and equipment like the AlterG antigravity treadmill (right) that assists individuals who cannot yet bear weight on their legs.

In August, Jennings celebrated the opening of Jennings at Brecksville, a new 74-suite residence offering independent and assisted living. Bishop Roger Gries blessed the building during a dedication ceremony.
