Allison Q. Salopeck
Dear Friends,

We are often asked what goes on at Jennings. We give examples of joyful moments shared between children and residents during our intergenerational programs. We showcase classes and lifelong learning, cooking, art and history. We invite people to celebrations, Mass, rosary and highlight examples of our values. Quite simply, life happens here!

From the simple joys of visiting between neighbors to celebrations of centenarians, Jennings is blessed to travel with each individual on their life’s unique journey. In 2018, we continued to grow our Jennings at Brecksville community and explore the new interests and talents of people who live and work there. We also brought life to Notre Dame Village, a new independent and assisted living residence in collaboration with the Sisters of Notre Dame on their pastoral Chardon location. At our Garfield Heights campus, we implemented innovative ways to enhance the lives of people we serve, such as outfitting all rehabilitation suites with fall protection flooring and offering state-recognized therapeutic art classes to individuals with memory impairment.

Our founder, Monsignor Gilbert P. Jennings, was known for meeting the needs of his people and finding innovative ways for them to live and receive care. Since the founding of our organization in 1942 in his honor, we carry out that spirit of compassion and innovation in our mission and in our every day work. It is an exciting time for Jennings---to be welcomed into new communities where we can expand our mission and serve more people, as well as to break new ground with technology and skills that positively impact the lives of those who work, live, volunteer and receive care with us.

As we celebrate the journey of each person whose life happens here, we thank you for being part of the Jennings journey with us.

Sincerely,

Allison Q. Salopeck
President and CEO

2018 Community Benefit

Our mission and values call for us to treat each individual with respect and compassion. We value each unique person, from those living independently to the most frail, while also extending our hearts to the community. In the spirit of Monsignor Gilbert P. Jennings, known to be a forward-thinking “man of the people,” we continue our person-centered philosophies and innovative practices. Jennings cares for the dignity of each person, and as a charitable, not-for-profit organization we practice good stewardship of resources and talent.

VOLUNTEER STATISTICS

Jennings is grateful for the time and talent of volunteers whose hands and hearts make a difference in the lives of people we serve. Adults, volunteer groups, corporate volunteer days and student volunteers gave generously of their time - from individuals visiting with Jennings Hospice patients to cosmetology students providing manicures to residents, we are blessed that volunteers choose Jennings.

In 2018, Jennings hosted:
- 504 volunteers (adults and students)
- 27,603 volunteer hours (equivalent to 13 full-time staff members)

STAFF AND BOARD MEMBER PHILANTHROPY

Jennings’ leadership team and board of directors are committed to our mission and values. This shows not only in their everyday work and advocacy, but in their philanthropic efforts for Jennings. Philanthropic participation by Jennings’ leadership team and board of directors is nearly 95%. Together, 2018 funds raised by Jennings staff and board members totaled more than $148,000.

UNREIMBURSED CARE

Through a continuum of care, Jennings is able to provide quality care with dignity not only for individuals with financial ability but also those whose limited means would otherwise provide them with fewer choices. Jennings’ rate-restricted services and unreimbursed charitable care substantially impacts Northeast Ohio families:

Total cost of unreimbursed care at Jennings in 2018 = $2,941,270
- Unreimbursed long-term care = $2,858,285
- Unreimbursed assisted living = $43,470

Rate-restricted services
- Affordable Housing: Jennings offers more than 200 apartments in two locations that provide residences for individuals 55 and older with low to moderate
income so they can continue to live successfully with independence and with services.

• Community-based Support: Jennings’ adult day services and child care are a critical support for family members and caregivers in the community. They know their loved ones receive quality care while they attend to personal and work responsibilities. These services are partially funded by community programs and often do not cover the total cost of the care provided.

EDUCATION AND ADVOCACY

• Advocated actively in local, state and national activities for older adults and positively affect changes in services to support successful aging.
• Served as preceptors for students from Kent State University, Cleveland State University Graduate Program and The Ohio State Board of Long-term Care Services and Supports pursuing a career in long-term care administration.
• Created opportunities and engaged students in earning service hours individually or as groups and engaged local high school students through internship programs, job shadowing and practicum.
• Hosted visiting health care students of a foreign exchange program in collaboration with Case Western Reserve University to illustrate best practices in caring for older adults.
• Developed job shadowing and mentorship opportunities (Cuyahoga Valley Career Center and Cornucopia).
• Visited legislators and administrators in Columbus, Ohio and Washington, D.C. as well as hosting them at Jennings to further discussions about the changing needs of older Americans.
• Developed and shared articles impacting older adults through traditional and social media venues.
• Hosted a clinical setting for undergraduate training, mentored students and provided internships in nursing and other disciplines (accounting, dietitian, physical therapy, social work, IT, dining services) from several local and out-of-state colleges.

CONVENING AND COLLABORATING

• Participated in membership and best practice sharing at the local, state and national levels: Eldercare Committee of Catholic Health Cleveland State University nursing students, as well as students from Northeast Ohio nursing programs, visited Jennings for experience with older adults and individuals with memory impairment.

Jennings’ President and CEO Allison Q. Salopeck (seated at left) visited Washington, D.C. with colleagues to present to bipartisan legislators around the importance of Medicaid as a safety net for senior services.

Jennings Hospice Team

Residents benefit from the generosity of our community who give their time and many varied talents. One such group is Common Threads Quilting Guild, who handcrafted beautiful quilts and lap blankets to keep residents and adult day service participants cozy in the cooler weather.
Jennings welcomes pet visitors and therapy animals, who offer special bonds and unique companionship. #LifeHappensHere
